If you have scheduling conflicts, let our team know ASAP. Specific training and schedule will be based on current progress. Personalized Review Sessions and Headshot Consultations are to be scheduled separately, with further info to follow.

The Zoom meeting link is noted above and will not change unless notified otherwise. Please be aware of your time zone. The Talent Spot is located in Los Angeles, CA, which is Pacific Time (PT). The next showcase is tentatively scheduled for July, depending on the current talent roster. Our goal for the next several weeks is to help you prepare for this opportunity. Prior to showcasing, performers should have completed three sessions in the category they plan to perform. Please keep this in mind as you schedule and attend your sessions. Showcase details will be sent in July.
